

NEWS RELEASE

Chief Appraiser Codi McCarn recently announced vacancies on the Hamilton Central Appraisal District Appraisal Review Board. The ARB hears appeals from property owners in Hamilton County on their value proposed by the District and renders their decision based on the evidence presented.

Ms. McCarn encouraged anyone who is interested to come by the District office for an application for the position or visit the HCAD website for an application at www.hamiltoncad.org.

Applicants will be presented to the local District Judge in December. The District Judge makes the decision regarding who to appoint.

A daily stipend is paid to ARB members for their time in training and participation in hearings. The time commitment is normally 10-15 days annually from June to August.
